

Story Kids

We are days away from Valentine's Day! While we many not have a dozen roses for you, know that we're infinitely grateful for all that you do for your families.

What We're Teaching

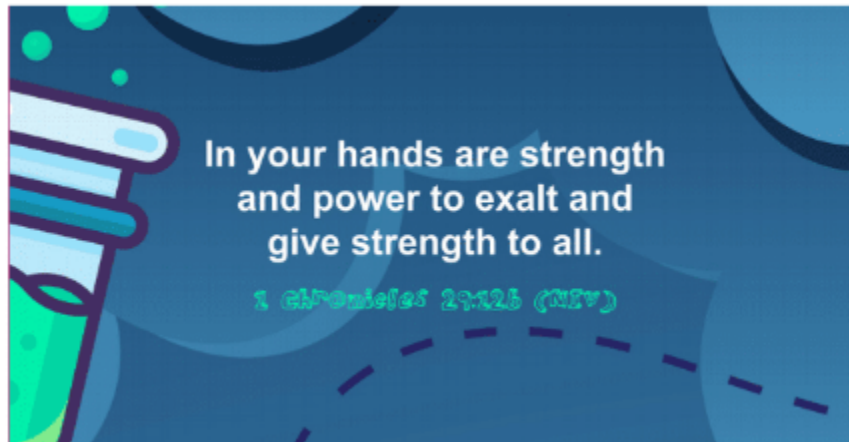

WOW: A 4-Week Series from **the Gospels on Jesus' Miracles.**

SERIES OVERVIEW:

Whether it's a rocket car powered by soda and mints or a tornado in a water bottle, there's so much in our world that can fill us with awe. The world of STEM is full of things that look like little miracles, but they're nothing compared to the miracles God can perform. In this four-week series, kids will take a look at some of the miracles that Jesus performed during his ministry. Through stories showing the power of Jesus, they'll no doubt go, Wow! Jesus has the power to heal, to calm our fears, to provide, and to save.

This Month's Memory Verse

February "Bible Buddies" Reading Plan

Recently, our Chapter 3 kids started a fun journey into God's Word called "Bible Buddies". Each Chapter 3 student received a Bible and stuffed animal to take home, along with a monthly reading plan. Each day, Chapter 3 kids are asked to read the daily verse to their Bible Buddy to fill them up on God's Word to grow their hearts and minds about God's love and promises.

As a reminder, Chapter 3 kids are asked to bring their bible to church with them each Sunday.

You do not have a child in Chapter 3? Feel free to follow this month's reading plan to share God's Word about Jesus' Miracles with your child and family.

Resource of the Month

Advent is all about excitement and good times, but Lent can be tough for kids to understand. So, how can we help them make sense of it? "Make Room" ([book available on Amazon](#)) has some great ideas for making Lent special by creating space for God and tying it all back to Jesus.
